

Floor Lamp  
Bo Notini  
1930

Nickel and painted base, stem and shade. Glass under shade. Both uplight and downlight.

Ref. 5919

Designed in 1937, when Bo Notini started at Böhlmarks and affiliate company Glössner. Notini probably designed this model together with his uncle Harald Notini. The the same kind of base appears on two other models made in the beginning of the same decade.

Produced by Böhlmarks
