

'Animal' Cabinet
Josef Frank
1940

Model no. 1140.
Oak, birch interior. Adjustable shelves. Forty hand coloured engravings of flora and fauna, from Friedrich Justin Bertuch's 'Bilderbuch für Kinder', published in 1790-1830.

Provenance:
Sven Nygren (1903-1990). Director, editor, head of film, in Stockholm. Sven Nygren founded Film AB Lux, where he served as CEO from 1941-1945 and later continued his career as CEO for Fox Film AB from 1946-63. As the director of Fox Film, Nygren successfully invited many American movie stars to travel to Stockholm for film premieres, and several of them became his friends;
Thence by descent.
