

'PH Four-Shade' Ceiling Lamp with type 4/4½/4  
Shades  
Poul Henningsen  
1930

Designed circa 1926-27  
Single layer opaline glass, frosted glass bottom  
bowl, nickel plated metal, bronze.

Ref. 2506043

The model was designed in the middle of the development of Poul Henningsen's eponymous 'Septima' Ceiling lamp. There were numerous setbacks which delayed production until 1930-31, where the model was finally introduced at the 'Modern Homes' exhibition at Forum, Copenhagen in 1931.

Produced by Louis Poulsen
