

Unique "Hand" Suite
Claesson Koivisto Rune
2019

Comprising a dining table, bench and pair of stools.
Hand made in chestnut wood by master cabinet-maker Yuji Takahashi, Hiroshima, Japan using only hand tools. Due to the complicated nature of the design, no other sets will be produced.
Table H.73 W.240 D.105 cm
Bench H. 45 W. 150 D. 50cm
Stools Each H.45 W.50 L.70 cm

The model was originally designed for the permanent exhibition room, "Tokyo Craft Room" at the Tokyo Hamacho Hotel, Japan. All surfaces were planed entirely by hand without the use of sandpaper or other finishing materials, where a gentle curve was achieved on all surfaces.
