

Large Unique Rug
Arne Jacobsen
1960

Woven wool pile.

Provenance:
Danmark's Nationalbank, Copenhagen.

History:
Designed by Arne Jacobsen and constructed in the period 1965-78, the National bank is regarded as one of Arne Jacobsen's major works.

This carpet was originally placed in the entrance hall. Blue with an ivory border. One green example with an ivory border was produced at around the same time, those were the only two. (Unique).

Produced by Rya Lyng Taeppper

DIA.300cm/118.1"
