

Table "Lido"
Axel Einar Hjorth
1934

Original glass with acid etched edge. Polished stainless steel base. Model number 38126.

Ref. 15605

A commission by architect Jean Adrien for the Sport Palace Stockholm 1934, circa six examples were made in this extra large size. Between 1930 and 1937 Jean Adrien ordered 30 models from A E Hjorth for the Sport Palace project. Jacksons would like to thank Jan Bonn for the research and information of this text.
