

"Anette" Cabinet  
Carl-Axel Acking  
1945

Mahogany with fluted doors.

Ref. 190457

Metal plaque inside door marked 'NK / Nordiska  
Kompaniet Stockholm' with additional plaque on  
reverse impressed 'NK R44196 C 22 3 45'

The 'Anette' series was made in very high quality  
craftsmanship. The fittings are of a character often  
used by Acking in his furniture for the Stockholm  
Craft Association. At the time, Acking was one  
of the more influential designers at NK and often  
worked with that type of furniture, materials and  
crafts.
